Divisional Account Office (DAO) Management

Division Account Office (DAO) Management Application Module has been designed to capture the crucial information relating to the Divisional Accounts wherein the inventory of the Bank Accounts along with Account Numbers, IFSC Code and Operational Status is being maintained. The information about the Divisional Account Officers deputed in the department is also captured so as to ensure that proper and timely updation of the accounting details are maintained online at all times.

The module allows to enter the monthly updates w.r.t the Opening Balance, Misc. Receipt, Fund Receipt, Work Expenditure, Closing Balance of the respective Accounts mapped to a particular division.

The intent of the system is to capture the exact picture of funds lying the respective division and its effective utilization on monthly basis. The Closing Balance of the previous month automatically becomes the Opening Balance of the current month.

Right to Information Act Portal – Government of Punjab

Right to Information Act 2005 mandates timely response to citizen requests for government information. It is an initiative taken by Department of Personnel and Training, Ministry of Personnel, Public Grievances and Pensions to provide a– RTI Portal Gateway to the citizens for quick search of information on the details of first Appellate Authorities, PIOs etc. amongst others, besides access to RTI related information / disclosures published on the web by various Public Authorities under the government of India as well as the State Governments

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government, contain corruption, and make our democracy work for the people in real sense. It goes without saying that an informed citizen is better equipped to keep necessary vigil on the instruments of governance and make the government more accountable to the governed. The Act is a big step towards making the citizens informed about the activities of the Government.

iGOT Karamyogi Platform as Learning Management System for PWD

iGOT Karmayogi, is a platform of Government of India which has been leveraged for PWD (B&R) to develop and maintain a comprehensive online platform to guide officials in their competency-based capacity building journey by enabling online, face-to-face, and blended learning, facilitating discussions through topical forums, managing career paths, and enabling reliable assessments that credibly signal competencies of officials.

The Online Digital Platform is enabled for anytime, anywhere access to all the employees of the Department for guiding, learning, hosting discussions, managing careers, and conducting reliable assessments to showcase officials' competency effectively.

As per the mandate of PWD (B&R), PWDLMS (Public Words Department Learning Management System) uses iGOT Karmayogi platform, which has been declared as a single holistic platform for learning in PWD (B&R).

The platform can be accessed through by typing the following link: https://igotkarmayogi.gov.in in the internet browser like Chrome, Firefox or Internet Explorer.

The IGOT platform is also available as Mobile App for both Android and Apple Users.
