### IFMS (Integrated Finance Mgmt. System – NT (Non-Treasury) Module

NT-IFMS is a suite of applications to be used by Works departments for receipt and expenditure, bill and payment processing in real time. It has NT-Billing & NT-Receipt modules.

This Non-Treasury Integrated Finance Management System is designed to make payment directly by a department/HODs Bank Account by involving Treasury & Accounts, Finance Department. This system allows officials to make payments to any vendors, contractors etc. as per their convenience and is being developed by NIC in coordination with the State Engineering Departments and AG, Punjab.

Once the IFMS-NT Application is rolled out, all the Non-Treasury Transactions i.e. Deposit works from various sources to the State Engineering Departments will flow from this application and bills will be prepared and submitted for ECS payments directly to the contractor. The system will allow reconciliation of the cash books online with Banks, which are presently being maintained by the respective Division Offices and will record all non-treasury fund flows.

## Onboarding of SDEs/ AEs & JEs on PWDTPM (Public Works Department Transfer Posting Module)

The data/information pertaining to the SDEs/AEs/JEs wherein their transfer, posting and contact details have been published in the PWDTPM module on the PWD Punjab Website. This online functionality enables to update the details of the SDEs /AEs /JEs i.e. Posting Place, Retirement, Additional Charge, Deputation, etc on real-time basis which gets instantaneously published in the public domain on the PWD Punjab Website.

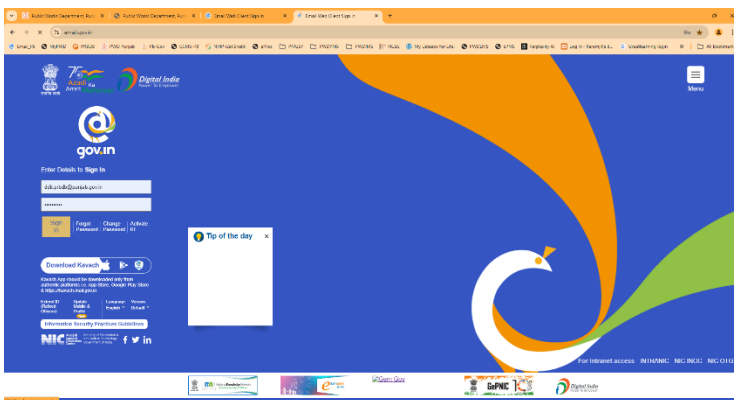

Further the data of these officers/officials has been linked with various other modules developed for the department like PWDPMS (Public Works Department Progress Monitoring System), Work Notices, Progress of Works, Contractors, etc.

All these users can access various modules published on the PWD Punjab website by clicking the <https://pwdpunjab.gov.in/login> link. The iHRMS Ids have been used as username to enable login for these officers/officials.

**URL for accessing PWDTPM:** <https://pwdpunjab.gov.in> (Click on PWD Office > Employee Posting)

## Use of Government Email IDs i.e. @punjab.gov.in domain

### Important Note:

In order to receive alert notifications from eOffice, PWDIMS, PWDPMS, PWDTPM, or any other departmental applications, it is mandatory to have email address on @punjab.gov.in domain.

Kavach application has been introduced to provide another protection (2FA-Two Factor Authentication) for your emails, this means that in addition to providing the password, you will also need to access your e-mail with an authentication through the Kavach application. Kavach App should be downloaded only from authentic platforms i.e. App Store, Google Play Store & <https://kavach.mail.gov.in>

As per the mandate of Government of Punjab, all government officials at various levels are to use their official email ids (@punjab.gov.in or @nic.in domains) for sending /receiving their official communications.

In this regard necessary instructions have already been issued by Directorate of Governance Reforms, Government of Punjab (<https://dgrpg.punjab.gov.in/wp-content/uploads/2021/06/Regaridng-using-official-email-IDs.pdf>)

All the officers/ officials may kindly contact IT Wing of PRBDB for creation of Government email IDs by sending their requests on [ddit.prbdb@punjab.gov.in](mailto:ddit.prbdb@punjab.gov.in)

The government emails can be accessed by visiting <https://email.gov.in> portal
